Mr. Rosenbarger explained the process for obtaining the easements for the Daisy Lane Project. He informed them that out of 34 properties there is only 1 that is holding out. He reminded them that they have passed a resolution allowing them to use the powers of imminent domain and that they need them to acknowledge that this is a legitimate case for imminent domain and confirm their previous resolution.

Mr. Hunter moved to confirm the resolution authorizing the use of imminent Domain, Mr. Denison second, all voted in favor.

Mr. Rosenbarger stated that the second issue they need to handle is to award the damages to Parcel 79 owned by Mr. Phillips in the total amount of \$3425.00 and that a notice needs to be sent out to Mr. Phillips notifying him of a remonstrance hearing to be held on May 1, 10:30 a.m.
